

ST. MARK'S LUTHERAN CHURCH BY THE NARROWS

DIRECTORY OF SKILLS AND TALENTS INFORMATION FORM

The congregation at St. Mark's is made up of a diverse and very talented group of Christians! From plumbers to poets, babysitters to ballet teachers, our members have a variety of professional skills, natural talents and interesting hobbies based in specific areas of expertise. But sometimes, we are our own best kept secret and few in the congregation know the extent of our collective potential.

In an effort to better connect skills and talents with needs and interests within the congregation, you are invited to be a part of a new church Directory being compiled by the Stewardship Team that will list the specific profession, skill or talent that you would like other members to know about with a few details. Please complete the following application and we will send you a draft of your page before going to print. The first edition of the directory will be available by Pentecost 2011.
