

Seder Table- 2017

Thank you for hosting a Seder Table. It is a great way to host a dinner without cleaning the house! Below are the set up times and a checklist of supplies, plus some helpful hints. Seder is a wonderful part of the Holy Week festivities and a way to meet other people in the congregation.

When: April 13th Event starts at 5:30pm – Tables should be set up by 4pm latest.

Setup times: Wed , March 12 12-4:30, 6-8pm, or Thu, April 13 10-4.

Where : Our amazing Parish Commons

Who: You! And 7 other amazing people that will find a place at your table

What & How: (the checklist)

Each table should include the following, but be yourself – we all bring a different character to the event.

Table cloth

The round tables are not a typical “home size” so the generic table cloths are available to cover the legs, but please bring your own table cloth as the topper.

Candle

Each table needs a candle to be lit during the Seder readings and discussions.

Centerpiece

Typically flowers, but it is ok to be creative to your table theme, remember that the tables are very full with all the serving dishes, Seder Plate, wine, juice, & water, so a smaller “footprint” for the center piece is best.

Place settings- 8 places with each of the following:

Plate

Water glass

Wine glass (juice option is available)

Coffee/tea cup

Knife

Spoon

Fork

Napkin

Dessert fork* optional if able

Helpful hints:

1. Bring a large tub – you take home the dishes dirty so a tub is the easiest way to transport
2. Bring a large zip lock- the silverware is easy to mix up with pieces from other tables or the dessert silver- count it as you put it away.
3. Bring a tote bag – your tablecloth & napkins will not want to ride home on top of the dirty dishes so bring a tote for them.
4. To go containers- there are often leftovers the kitchen can box up for you- and they are delicious
